

THE HONDO ANVIL HERALD.

HONDO, MEDINA COUNTY, TEXAS, SATURDAY, JUNE 6, 1925.

VOL. 39. No. 45

LOCAL AND PERSONAL.

R. W. Speece of this place has been awarded the contract to rebuild the bridge across the Rio Grande at Eagle Pass which was recently washed out by a rise in the river. M. E. Bartlett will be the foreman on the job. Mr. Speece began shipping his equipment from here out there Tuesday, and work will be begun at once and pushed to as rapid a conclusion as possible. The new bridge will be a pile and lumber structure. The rise that swept away the old structure was 32 1-2 feet, and took away a number of houses on the low grounds as well as the bridge.

J. T. Smith, who was called to Smithville, Bastrop County, some two weeks ago on account of the critical illness of his sister, Mrs. Wm. Foxall returned home Monday, his sister showing improvement. On leaving Smithville he went to Denison on a visit to another sister. He gives a rather gloomy account of conditions from here to Waco, but says beyond that city, and on to Denison crop look well and give promise of a generous yield. Along the Colorado the drouth-stricken corn is being plowed up and preparations being made for later planting.

J. J. Russell sold a bunch of his Polled-Angus cattle in San Antonio on May 25th at 5 to 7 cents. Eleven head in all were sold. In the lot were eight head, consisting of three yearlings, two two-year-olds, one three-year-old and two cows, that weighed 7020 pounds and brought 7 cents. In this lot were animals that would have proven valuable breeding stock, but as the demand is slack and Mr. Russell has young stock coming on he decided to sacrifice them rather than risk becoming overstocked.

The horse races at the fair grounds track drew a good crowd, and they witnessed some good running. In the 660 yards race between Boll Weevil and the Schuehle mare. Boll Weevil was the first to cross the line by some two feet. In the 370 yard event between Gold Enamel and Sleepy Joe, Gold Enamel came first. If there are any other races scheduled in the immediate future, we are not advised of the fact.

TAKE IT TO JENNINGS.

Hello Daddy - don't forget my Wrigleys!

Slip a package in your pocket when you go home tonight.

Give the youngsters this wholesome, long-lasting sweet - for pleasure and benefit.

Use it yourself after smoking or when work drags. It's a great little fresher!

The Young People's Society of the
St. Paul's Hondo Lutheran
Church will give a League program
Sunday, June 7, at 7:30 p. m. Every-
body welcome.

Col. W. B. Odom returned Mon-
day from quite an extended trip over
Central Texas. He gives a pessimis-
tic account of conditions in the ter-
ritory traversed—in fact, he says he
saw no country that was in better
shape than right here in Medina
County.

Rev. Father James Marsollier of
LaCoste motored over Monday even-
ing for the closing exercises of the
St. John's Parochial School and was
an interested listener throughout the
lengthly program. Father Marsollier
informed us that big prepara-
tions are under way to entertain a
large concourse of people at next
Sunday's church entertainment in
LaCoste.

Mr. and Mrs. Leopold Haby and
Mr. and Mrs. George Ahr of Medina
Lake passed through Hondo Thurs-
day enroute to D'Hanis on a visit to
relatives and friends. They report
the Medina Lake section still in the
grip of this scorching drouth, despite
a four-inch pour down recently that
fell and ran off in about forty min-
utes without leaving much moisture
behind it.

Ed Jungman marketed a truck load of fat calves at San Antonio Monday.

Mr. Armin Bendele of Dunlay was a Castroville business visitor Tuesday.

Butcher Harry Hans was a business visitor at San Antonio Tuesday.

L. M. Tondre & Sons for building material.

DIED.

Mr. Ambrose Bohl died at his home on lower Medina, on Monday evening, May 25, 1925, and was laid to rest at St. Louis Catholic cemetery here Tuesday afternoon, Rev. Father Heckman performing the last sad rites. Mr. Bohl was born at San Antonio, Texas, April 21, 1847. He was happily married to Miss Katharine Becker, January 14, 1879. This union was blessed with four children, one son, Louis Bohl, three daughters, Mesdames John Groff and Robert Tschirhart and Miss Emma Bohl. Besides his grief-stricken widow, and fatherless children, deceased leaves nine grandchildren, one brother, Anton Bohl, three sisters, Mesdames Agnes Becker, Katharine and Theresa Jungman and a large number of other near and dear relatives to mourn his loss. Those who acted as pall bearers were: Joe Bohl, Willie Bohl, Frank and Ed. and August Jungman and Frank Becker. A large cortege of mourning relatives and friends escorted the mortal remains to their last resting place. We join this entire community, in sympathy with the bereaved and grief-stricken ones. R. I. P.

L. M. TONDRE & SONS,
Castroville, Texas.

Col. John A. Head returned last Thursday from a trip to Ganado and Nixon where he visited his children and grandchildren. He had an enjoyable time, but was taken ill while at Ganado, and was confined to his bed for several days.

Judge R. H. Burney's many friends here are pleased to greet him again in Bandera, and to know that his health is good again. All sympathize with him in the loss of his aged mother, whose death occurred at Center Point a few days ago. For many years Judge Burney has faithfully served the people of this district as their District Judge, and he is revered and loved by the law-abiding citizens of the district.

District attorney W. C. Baker arrived from Kerrville Sunday to be on hand for opening of court Monday morning. Mr. Baker is serving his first term as our district attorney, and report comes to us from over the district that he is discharging the duties of the office in a highly creditable manner. His work here during the present term of court proves him to be an efficient, painstaking and active official in every sense of the term.

Send us the news, please send us the news, Weddings, or funerals, just whatever you choose. Who is visiting you? Where have you been? To know news and not tell it is surely a sin. When did your school close? Who won the prize? Is your crop growing? Water-melons are what size? How is your turkey crop? Are the pigs doing well? How much butter do you make? Have you anything to sell? Anything, anything, just so it's news. We've walked and we've hunted and worn out our shoes. —Ex.

When Better Automobiles Are Built, Buick Will Build

No. 15

Question: Why Buick so safe and easy to steer?

Answer: Because of Buick's wonderful steering mechanism. It is the most expensive type now installed on any motor car—and worth the difference because it adds to Buick performance still another point of superiority.

C. R. GAINES & SON

Dealers HONDO,

LACOSTE LEDGERETS

From The LaCoste Ledger.

SABINAL OUT-HITS HONDO TO WIN.
High Wind Mars Fielding of Both Teams.

For the second time this week, the Sabinal nine defeated Hondo Wednesday, June 3, out-hitting the locals for a 7 to 4 win. "Shorty" Holloway started the game on the mound with a sore arm, and Beal relieved him at the beginning of the second inning. With the exception of the third inning, Beal kept the hits scattered, and Hondo had many chances to win if the hitters could have hit Jackson, Sabinal's speed ball ace.

Peters led the day in hitting, tapping out four out of five times at bat. Racer was close on his heels with three hits one of which was a homer. Beal led the Hondo nine with two hits, while C. Holloway, R. Bless and T. Windrow each hit out a single. Shudde, Sabinal's tall first baseman, drove a liner out to left, and attempting to stretch it into a homer, was cut off at the plate by quick successive throws from Schuehle to Bless to Beal to Fly.

A feature of the game was the double plays of Hondo in the eighth and ninth, from Forgason to C. Holloway to R. Bless and from A. Bless to C. Holloway to R. Bless, respectively.

Clyde Holloway played a steady game on second (shifting from right field to second when Beal went into the box) scoring one run, getting one of the five hits, and making five put outs and three assists.

A high wind carrying dust with it, made fielding difficult. Often a grounder to the infield would all but be lost in the dusty wind. The pitcher's control was often upset by the winds curving the ball wrongly.

FRIENDSHIP WITH CHRIST. Mrs. Schweers.
SONG No. 73.
BENEDICTION.

COUNTY COMMISSIONER'S
A special session of the county commissioners' court was held June 2, 1925, all commissioners being present except J. W. Roberson. It was ordered that Messrs. Alf. Zinsmeyer and Rothe & Koch be paid the sum of \$5,662.95, balance due them on assignment of estimates from Miller & Farmer, on section D, Highway 3 upon said parties entering into a good and sufficient indemnity bond to the county, same to be approved by the court. This was the only business transacted by the court.

D'HANIS NEWSLETS
A round-up of Local, Personal and Business Items gathered weekly by our Regular Correspondent.
Miss Nettie Rieber
to whom all items intended for this column should be handed not later than Wednesday noon of each week. Miss Wernette is authorized to collect and receipt for money due this paper.

Mr. and Mrs. Joe Braden and Miss Della Reinhart of San Antonio were visiting relatives here Sunday. Misses Cornelia Koch and Aggie Carle returned home from the "Lady of the Lake" college. Mrs. Lynn Bonney of Los Angeles, California is the guest of her sister, Mrs. Albert Nester, this week. She will be remembered here as Miss Annie Reily. Misses Irene Finger and Nettie Rieber were the guests of Miss Willie Lee Rehm in Sabinal Monday. Miss Cecil Braden of San Antonio was the guest of Misses Josie and Lucy Rothe several days this week. Mrs. Wilson and daughter, Miss Armine Wright, of San Antonio, were visiting Mr. and Mrs. Alfred Zinsmeyer and family Sunday and Monday. Miss Lena Reinhart returned home after a two weeks visit to relatives and friends in San Antonio, and New Braunfels. Mr. and Mrs. Frank Jackson and children are visiting Grandma Jackson in Midlothian. Mrs. Chas. Johnson spent Sunday in Sabinal with her parents, Mr. and Mrs. Bill Biggs. The base ball boys and a number of rooters motored to LaCoste Sunday. Where a game of base ball was played in which LaCoste was victor by a score of 6 to 5. Arnold Zerr of San Antonio was visiting relatives and friends here last week-end. Miss Maggie Langfeld of San Antonio was the guest of her mother, and other relatives several days last week. Charles Rohrbach was visiting his brother, Casper, at the hospital last week-end. Mr. and Mrs. Harry Mueller of San Antonio were visiting relatives and friends Saturday and Sunday. Mr. and Mrs. Eric Heye and children of San Antonio were the guests of Mrs. Heye's mother, Mrs. Annie Rinkus, Saturday and Sunday. Misses Hulda Ney and Lucine Finger motored over to Hondo Tuesday. Henry Rohrbach and son, Casper, who was in the hospital, returned home Wednesday. Mrs. H. R. Wernette returned home Sunday, after being in the hospital several weeks, and is getting along nicely. Mesdames Alphonse Boog, August Cartier, Victor and Chas. Boog and Oscar Tondre were visiting at Hondo Wednesday.

ATTENTION CITIZENS.
Beginning Wednesday, April 22, and continuing indefinitely, the siren of the Hondo Fire Department will be sounded each Wednesday evening. This notice is given in advance so that the people will not become excited, thinking a fire is in progress. The sounding of the Siren is a precautionary measure to determine whether it is at all times in condition for alarm should it be necessary. The sounding will occur at 7:30 p. m. every Wednesday.

NICE RESIDENCE FOR SALE.
A nice five-room cottage with bathroom and two nice galleries, small barn, good well with windmill and tank, located on half acre of ground in the northeast part of town, for sale at the bargain price of \$1,900.00 on reasonable terms. Ask Fletcher Davis, Manager Hondo Land C., Agent. 37-ff.

TAN-NO-MORE
THE SKIN BEAUTIFIER
Protects, Improves, Beautifies
Prevents chapping and roughening of the skin in cold weather; tan and sunburn in the warmer months. As a beautifier it has no equal. Tints: White and Flesh. Three sizes, 35c, 60c and \$1.00, at toilet counters. 10c will bring you a liberal sample with silk sponge FREE. Baker Laboratories, Inc. 31 Linden Ave. Memphis, Tenn.

DEVINE NEWSLETS.
From The Devine News.
WANT CHARTER FOR OIL LINE MEDINA COUNTY.
In a full column report under head of "Several Tests to Start in Medina," the San Antonio Express, Tuesday, said an application had been made for a charter for a pipe line, from the Ina field, which would be 11 miles long, either to run to the S. P. on the north or the I. G. N. on the south. Devine being a common point with lower rates, and the fact that "gravity" flow would bring the oil to the I. G. N. would favor this direction for the line; but very much depends on the railroad pull, we suppose. Carl Posh of Biry, was in town, Tuesday carrying his arm in a sling as the result of an accident at Ina No. 3, which has been drilled deeper and he thinks is the best well in the Ina Oil field. As soon as Frank Brown returns from a trip to Houston a well is to be started on the J. A. Blackburn farm, on the Devine road, east of No. 1 and 2 wells, about a mile. This is in line with the Christilles, Chicon Lake and between these and the Ina field; and we are all anxious to see it tried out.

Mr. Henry Bendele was a pleasant caller at The News office, Tuesday; said while he had only had about 1 1-2 inches rain since January, he has some of his crops up in pretty good shape and would be all right with a good rain. He does not know when it is coming but says we are due rains some time this year, sufficient to get by with.

ROASTINGEAR PEOPLE SHIP. PING CORN OUT NOW.
A large force of men, trucks, etc., arrived here Saturday and began shipping out roastingears. W. B. Hopson was the first man to load a car from the Irrigated lands; when it was found that the corn was a little too young and they have made only a few shipments this week.

COURT HAS MOVED TO THE WEST SIDE.
Justice Peace W. B. Hardeman and County Attorney D. C. Brown have moved their offices into the Jameson Building (Old Post Office) just across the corner from the News Office. We are just wondering when that committee is going to make up that amount to secure a lot on which the county has promised to build a brick or tile courthouse. West side was willing for it to go to east side if they had better proposition, will the east side committeemen not be interested any longer? Devine is too small a town to let "East Side" or "West Side" get in the way of a piece of improvement like this, coming from the county or from the outside.

FROM BIRY.
Mr. Jessie Owen and sister, Miss Ora Owen, spent Monday in Hondo. Mr. and Mrs. John Watson and children were the guests of Mr. and Mrs. Earl Watson at Hondo last Wednesday. Mrs. F. D. Erickson and little daughter left for their home in Chicago, Ill. last Wednesday evening. After three months stay with her parents, Mr. and Mrs. Rudolph Posh. She was accompanied to Dunlay by her father, Mr. Posh and sister, Miss Marie, and Mr. and Mrs. Carl Posh. Mr. Emmett Nixon spent a few days here with his parents, Mr. and Mrs. Arthur Nixon. Miss Nora Saathoff of Yancey was here last Monday. Mr. Vincent Haass left last Wednesday for Kansas City to attend mechanic school. Mr. and Mrs. C. S. Henson and babe spent Saturday evening at Devine.

FIND EAGLE FORD IN BOTTOM CORE OF MEDINA WELL.

A core taken from the bottom of the Ina Oil Company's No. 3 well in Medina County that has just been deepened from 930 feet shows it to be the contact of the Austin Chalk with the Eagle Shale according to G. O. Williams, geologist, in the Hicks building.

The core was brought in by Frank Brown of the Ina Company and the depth of the well by measurement is 1583 feet, according to Mr. Brown. A little of the Eagle Ford shale is shown on the bottom of the core. Mr. Williams has been making a close study of operations in Medina County generally and he believed the production coming from the well which was pumped the first of the week is coming from the Anacacho Lime just above the Austin chalk.

In completing the well 600 feet of perforated pipe was set. The production from the well is coming from two levels.

The well is serving to attract considerable attention and interest centers in seeing it put on sustained production to see whether or not it will hold up. Mr. Brown is confident that he has a well that will produce at least 50 barrels a day. There is considerable acreage close in that is held by various interests. Rydal Oil Company has considerable acreage and various individuals have acreage in that district. Arnett Oil Company has a block of acreage south of it.

It is reported on seeming good authority that the Smith-Donaldson well which is now the property of the Ina Oil Company and has been deepened by them, in 10 days produced around 300 barrels. There was 240 barrels hauled away in tank wagons for fuel for other drilling wells and the remainder was in storage on the lease at the end of the 10 days. This would be around 30 barrels a day for the first 10 days on production.—Saturday's Express.

SEVERAL TESTS START IN MEDINA.

Preliminary movements are being made this week to start a number of important tests in Medina County that promise to test thoroughly the second sand production at around 1,300 feet and below and at least three tests will be started as soon as the derricks and rigs are up and more will start within less than a month. Acreage is coming more actively in demand with a tendency to go up in price with the new program of drilling.

Ina Oil Company is preparing to move a rig to the M. Blackburn farm about one mile or a little more to the northeast from the well that it recently completed to the second sand. The new test will be on the east side of the Hondo Creek.

H. W. Myers has made a location in the northwest corner of the J. G. Durst survey No. 14, 150 feet from each line and one offset or 300 feet east of the Nixon No. 1 of the Arnett Oil Company, formerly known as the O'Brien No. 1 Nixon. Arnett Oil Company is also to move in a rig to start an offset 300 feet to the west of its Nixon No. 1.

The Nixon is being pumped each day and is proving to be a good commercial well. The casing is broken near the top of the well and is leaking in water. It is claimed that when the pump is started it pumps a little water and as soon as the water is out of the well it pumps pure pipeline oil. When the well is pumped down and the pump is stopped, the water can be heard running in from the top. There is a lot of junk in the bottom of the hole and the tubing cannot be gotten to within but 150 feet of the bottom of the well.

The No. 2 Nixon of Arnett is drilled with a small rig and is now down to the first sand at 925 feet and will be cased and completed at that depth as the rig is a light one. The rig for the No. 3 Nixon of the Arnett Oil Company which will be 300 feet west of the No. 1 will be a large type rig and will carry the No. 3 down to the second sand and the No. 1 Nixon of H. W. Myers will also go to the second sand.

Arnett Oil Company Monday sold 80 acres out of the Nixon lease a quarter of a mile southeast of the company's two Nixon wells to Eastman & Tarvor of Mansfield, La., for a consideration of \$62,500 an acre and with a contract calling for the starting of a well within 30 days. It will also be a second sand test.

A. G. Kiefer is now drilling the Adams No. 1 farther south and has been drilling for over a week with a large type rig and will soon be down to the pay horizon.

It is reported that the Austin parties who have the lease on surveys 528 and 809 have contracted with a Lockhart contractor and are moving in now to make a test about 150 feet west of the east line of survey 528 and about midway of the lease north and south. Also it is reported but not confirmed that Metzger will go back onto the Adam Coble survey No. 764 and will drill in the southeastern part of that survey.

E. J. Hunter is expecting the arrival of some capitalists from the East in a few days who will become interested in the development of the oil resources in Medina County. An application for a charter for the Medina Pipeline Company is being made to incorporate under the laws of Delaware which will build a pipeline from the field to either the Southern Pacific to the northeast, or else to the International-Great Northern on the southeast, the distance in either event will be about 11 miles.

O. L. Gates is arranging to complete the No. 1 Moebius of the Williams Oil Company northwest of the center of the Ina Company activities. The well is now about 400 feet deep

and was stopped due to title trouble. Gas and showings of oil are escaping now through the mud and water in the well.

With the additional activities in that part of Medina County both leases and royalties are said to be stiffening up in price. Resuming work in the No. 1 Moebius of the Williams Oil Company by O. L. Gates and the prospects for a new test to be made south and west of the Williams well by other interests with the tests by the Arnett and kindred interests on the south forms a circle of drilling taking in the Ina Oil Company's No. 1 on the east, soon to start, having a radius of around three miles or more.

There is probably no county in Southwest Texas on which opinion is more sharply divided as to the possibilities of its furnishing one or more good oil fields than in Medina but the drilling that is now promising to get under headway in that area around the Ina wells will probably prove before the summer is over whose judgment is best.

A one-sixteenth royalty quite a distance from production is said to have sold the other day for \$5 an acre on a relatively small track. The price is considered rather low since it is claimed that leases the same distance have sold for \$10 an acre.—Wednesday's Express.

WITH THE DRILLERS.

To correct misstatements that have been circulated with reference to Ina No. 3, recently deepened from 930 to 1583, we have information that the production has been increased from about 1 1/2 barrels daily to approximately 26 barrels daily. These latter figures are not estimates but the result of actual pumping tests, and makes it the best well of the Ina group thus far brought in. This well is not on the Wilson ranch as has been published in several papers, but is on the George E. Schmidt ranch. The Smith-Donaldson well, another of the Ina group is a 10 barrel well by actual test. The second deepest of the Ina group. This well was pronounced a "duster" by the Rydal company at around 1000 foot level. The greatly increased production of these two deepened wells indicate that when wells are carried to a greater depth, largely enhanced production will result. We understand it is the intention of the Ina company to eventually carry all of its wells to a greater depth.

The Ina Company this week moved a rig on to the J. A. Blackburn farm and will spud in the very earliest moment possible. This well is to be a deep test and will start with a 9 1/4 inch hole. To hold the lease this well must be completed by July 20th so it is a pretty safe prediction that strenuous days are ahead for the company. This well will be about one and a quarter miles northeast of the discovery well, and should it come in a producer well largely extend the proven field.

The Medina Oil Co. had the misfortune to have a cave-in at around 1661 level which caused a temporary shut-down while cement was run and a lay off for a few days was forced while the cement set. The trouble overcame the drill is again on its downward course in search of the untold wealth geologists predict underlies its lease. This is the closest well drilling to Hondo and its downward course is closely and anxiously watched by our people, as its coming in a producer would greatly add to the proven field and would practically bring the field to the doors of the town.

The Mid-Kansas is again busy on its lease a few miles south of Dunlay and will sink another well some 1000 feet from its first effort, which was pronounced a "duster." This well is several miles north of the discovery well and should oil be found in the new well, would establish the pool as one of enormous size. Its lease carries high endorsement of geologists, and all trust their judgment in this instance will be borne out by a liberal producer.

The well on the Murphy-Fussell ranch is standing at 3,300 feet, but is not abandoned. We understand it is the purpose of the promoters to carry the present well to a greater depth, or spud in another at an early date.

The Smith-Carson Co., with the derrick up, is waiting for the arrival of a rig. As this well is to be sunk in proven territory there is little doubt as to its striking oil. There have thus far, been no "dusters" struck in the Ina territory—something of a remarkable record for an oil field.

As the California-Texas well, drilling on the Rothe ranch, north of D'Hanis, is a considerable distance from Hondo, and but little passing between its location and the town, but little is known as to its progress or indications.

Meanwhile leases are varying in proximity to the Ina field, and acreage is changing hands at about treble what actual deeds could have been secured less than a year ago.

Drugs refund money if PAZO OINTMENT fails to cure itching, blind, bleeding or protruding piles. Instantly relieves itching, pain, and you can get restful sleep after the first application. Price 60c.

ST JOHN'S SCHOOL CLOSES.

The St. John's School of the local Catholic Parish closed Monday night with appropriate exercises. The three Sisters who have been in charge of the school for the last term have labored earnestly with their charges, and the closing exercises were a fitting climax to the year's work. While the high wind that prevailed during the exercises interfered somewhat with the young people, all acquitted themselves in a most creditable manner.

Following was the program:

1. Song, Words of Welcome.
2. Piano Solo, Anne Davis.
3. Piano Duet, Frances Finger and Dorothy Zerr.
4. Dialogue, Mending Stockings.
5. Song, Soldier Boys.
6. Piano Solo, Adele Decker.
7. Piano Duet, Jeanette Schlottmann and Dorothy Zerr.
8. Piano Trio, H. Leinweber, E. Leinweber and A. L. Brucks.
9. Scarf Drill, Little Girls.
10. Piano Solo, Evelyn Finger.
11. Piano Duet, Mrs. Cameron and Anne Davis.
12. Dialogue, Buying Eggs.
13. Piano Solo, Frances Finger.
14. Piano Duet, Evelyn Finger and Adele Decker.
15. Gun Drill, Little Boys.
16. Piano Duet, Genevieve and Annie Leah Brucks.
17. Piano Trio, A. Decker, F. Finger and D. Zerr.
18. Song, America.
19. Piano Solo, Mrs. Cameron.
20. Piano Solo, Doris Brown.
21. Piano Duet, Lucy Davis and Charlotte Miller.
22. Piano Trio, E. Finger, A. Davis and A. Decker.
23. Song, What Will You Take for Me, Papa.
24. Piano Solo, Pauline Renken.
25. Speech, Jeanette Schlottmann.
26. Piano Duet, Lucy Davis and Genevieve Brucks.
27. Piano Solo, Jeanette Schlottmann.
28. Song, Will the Roses Bloom in Heaven?
29. Piano Solo, Elta Leinweber.
30. Piano Duet, Gladys and Doris Brown.
31. Piano Trio, E. Finger, A. Davis and A. Decker.
32. Dialogue, Hiring a Servant.
33. Piano Solo, Charlotte Miller.
34. Song, "I'm Going to Tell on You."
35. Speech, Lucy Davis.
36. Piano Solo, Gladys Brown.
37. Dance, Irish Hornpipe.
38. Piano Duet, Anne Davis and Hedwig Leinweber.
39. Piano Solo, Dorothy Zerr.
40. Piano Duet, Pauline Renken and Frances Finger.
41. Hymn, "Sacred Heart in Accents Burning."

Following the rendition of the above program, County Judge R. J. Noonan spoke briefly, complimenting the pupils and their teachers for the splendid work evidenced by the program rendered and the numerous promotions made. He then read the following list of promotions and conferred the certificates on those entitled to receive them:

- The following are promoted to the High First Grade:

- Adele Decker
- Frances Finger
- Lucille Robinson
- Pauline Renken
- Lorene Sauter
- Dorothy Zerr.

Following the conferring of the certificates of promotion, ice-cream, cake and soda water were served and, although the hour was growing late, the large audience enjoyed a pleasant social intermingling and departed for their homes well pleased with the success that had attended the 1294-1925 term of their Parochial School.

IN LOVING REMEMBRANCE OF

LITTLE WALTER HABY.

Walter, the little son of Mr. and Mrs. Leo L. Haby, died May 21, 1925, and was laid to rest at St. Louis Catholic Cemetery. We extend our heartfelt sympathy to the grief-stricken parents.

In life we are to death so near
That we should not grieve
If one that to us is so dear
From us will take his leave.
So it was with Little Walter;
He has left you all too soon,
Left you all here in your sorrow;
His death o'er you has cast a gloom.
He is gone from you forever,
And you no more will see him here;
You think there is no greater sorrow,
For to you he was so dear.
Indeed, he was so dear to you
It's hard, so very hard;
Indeed, you all loved him so true,
And yet you had to part.
Despair not loving tender parents,
Do not break down in your grief;
Weep not faithful loving brothers,
Though from you he took his leave.
Now your hearts are sore and weary,
But it will not be for aye;
Though now all is dark and dreary,
Think once there'll come a glad-some day.
Once there'll come a glad tomorrow,
And you'll see him face to face,
From your hearts you'll banish sorrow.

When your darling you'll embrace,
When you'll see your angel baby,
On the bright and golden shore,
When you meet your darling Walter,
Smiling as he did of yore.
There will be a happy union,
In that far off peaceful land,
Always with your darling Walter,
Always with him hand in hand.
Therefore, grieve not parents and brothers,
Think of that home far above,
When you will be with little Walter,
All in union and in love.
His Cousin,
R. M.

TO TERMINATE BUSINESS HERE.

With the closing of the doors to-night, the business career of H. Olschwager will come to an end in Hondo. He has established a business down in the Valley at Mission, and will concentrate his energies to one location. The Olschwager store has been one of the prominent and favored establishments of Hondo for several years and his moving away is regretted by our people, and he carries the goodwill of all to his new field.

Mr. Olschwager is a business man of integrity and is universally esteemed by all who had business dealings with him, and all wish happiness and prosperity for him and his family in his new field of endeavor.

The Quinine That Does Not Affect the Head
Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness, ringing in head. Remember the full name and look for the signature of E. W. GROVE, 30c.

YOU MAY HAVE PELLAGRA

If you have nervousness, stomach trouble, swelling in the head, constipation, loss of sleep, loss of weight, brown or rough skin, burning feet or tenderness; you may have Pellagra. You do not have to have all of these symptoms to have the disease. My free booklet, "The Story of Pellagra" will explain. My theory differs from all others, and is endorsed by Health Departments and hundreds who have taken the treatment. Write

W. C. ROUNTREE, M.D.
TEXARKANA, TEXAS.

Colds Cause Grip and Influenza
LAXATIVE BROMO QUININE Tablets remove cause. There is only one "Bromo Quinine" E. W. GROVE's signature on box. 25c.

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and a rule, there is more or less stomach discomfort. GROVE'S TASTELESS CHILL TONIC given daily for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 75c per box.
